-Edit a luggage page:

The image shows a web application interface with a modal form for editing a luggage item. The modal is titled "Edit a Luggage" and contains the following fields:

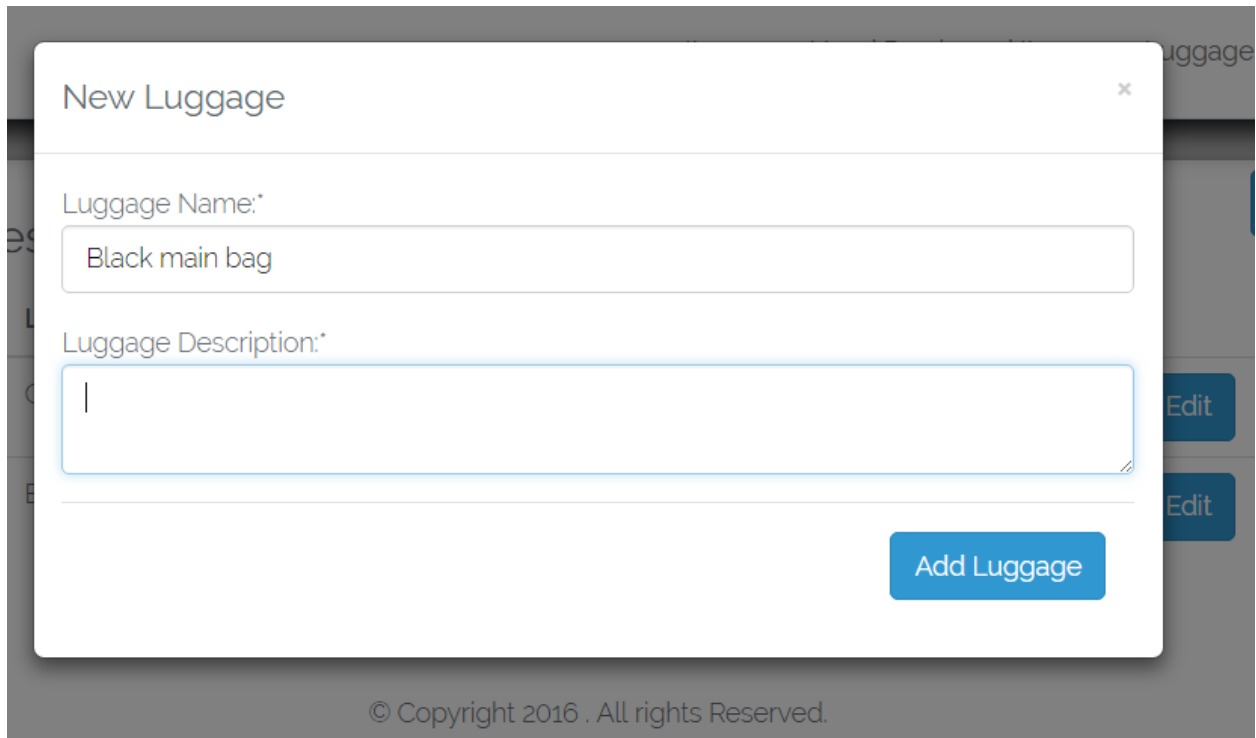

- Luggage Name:** A text input field containing the value "Carry-on".
- Luggage Description:** A text input field containing the value "Important things should be here".

Below the description field is a blue "Submit" button. The background of the image shows a table with the following columns: "Luggage Number", "Luggage Name", and "Actions". The table contains three rows of data:

Luggage Number	Luggage Name	Actions
1		Assign Items, Edit, Remove
2		Assign Items, Edit, Remove
3	Black main bag	Assign Items, Edit, Remove

At the bottom of the page, there is a copyright notice: "© Copyright 2016 . All rights Reserved."

-Add Luggages page

The screenshot shows a modal window titled "New Luggage" with a close button (x) in the top right corner. The form contains two required fields: "Luggage Name:*" and "Luggage Description:*". The "Luggage Name" field is filled with the text "Black main bag". The "Luggage Description" field is empty, with a vertical cursor at the beginning. A blue "Add Luggage" button is located at the bottom right of the modal. The background is a blurred view of a table with columns for "Luggage Name", "Luggage Description", and "Action", showing rows with "Black main bag" and "Black main bag" and "Edit" buttons. A copyright notice "© Copyright 2016 . All rights Reserved." is visible at the bottom of the page.
